## Designer Kitchen & Bathroom Awards 2015

# Product Innovation Awards

Some of the best new kitchen and bathroom products from the past 12 months were presented with prestigious gold awards at the *Designer Kitchen & Bathroom Awards 2015*.

Sponsored by InSinkErator, the Product Innovation Awards acknowledge the most important new products across a number of fields, including technology, materials, functionality and sustainability.

Here we reveal the 2015 winners and congratulate all the teams behind these innovative designs.
