THE DESIGN ISSUE

At home in Medellin with reggaeton superstar J Balvin

Space

From left, 'Aspic' table, from €890, by Gordon Guillaumier, for Roda. 'August' lounger, €1,350, by Vincent Van Duysen, for Serax. 'Ringer' armchair, from €795, by Michael Anastassiades, for Kettal. 'Love' chair, £104, by Eugeni Quitllet, for Vondom. 'Nui' lamp, £498, by Meneghello Paoletti, for Luceplan

For stockists, see page 193

Our Space story was shot on location in Italy at Le Vaschette, a 2km-long rocky area south of Livorno.

Excavated by the Etruscans, it produced dark pietra serena and yellowish pietra ruspa stone, with sponge-like textures caused by alveolar erosion. Partly submerged due to rising sea levels, it is now dotted with little pools (*vaschine*) and is a popular spot for locals in search of a refreshing summer dip.

Executive producer:
Kate Collins

Photography assistants:
Giovanni Romboni,
Andrea dalle Luche

Interiors assistant:
Markos Ioannides

Assistant and backstage:
Flora del Debbio

Retouching: Vitali Studio
